# the original and best

The Subaru XV was one of the first compact SUVs on Australian roads. With its eye-catching design and super cool wheels, the XV gave birth to a whole new car category. It took SUV capability, big car technology and performance and molded it into a small, sleek, irresistible package perfect for urban adventures. It never cut corners. And it never will.

The Subaru XV delivers cutting-edge safety and entertainment technologies to help you and the ones you love make the most of every moment.

There's plenty of room inside (be sure to sit in the back seat to experience the generous legroom) thanks to some very clever design. And it's loaded head-to-toe with smart features to make every day, a great day.

Built for fun and friends. The Subaru XV is made for you.

Test drive today.

Subaru XV 2.0i AWD

# action packed. feature packed.

Jump inside a Subaru XV 2.0i AWD and the first thing you and your friends will notice is the premium, comfortable interior. The quality is next level and it's brimming with gadgets and tech to make life even more fun.

There's a large intuitive touchscreen with Apple CarPlay® and Android Auto™ connectivity[1] that puts selected smartphone content right where you want it. Digital radio[2] brings you a wide choice of stations. Legendary Symmetrical All-Wheel Drive (AWD) and Boxer engine performance means better grip and control on rough surfaces. And with Auto Vehicle Hold driver fatigue is reduced by holding the vehicle in position when stopped.

A wide and sporty stance shows off Subaru's classic hexagonal grille and hawk-eye headlights while the matte black cladding and 17" alloy wheels define the SUV's rugged character.

# life doesn't get any better than this

For the full experience, step up to the Subaru XV 2.0i-S AWD. The ultimate in technology and luxury with the addition of 18" alloy wheels and silver roof rails, as well as leather[1] seat trim, heated front seats and Steering Responsive Headlights (SRH) and LED front fog lights. It even has Subaru's Vision Assist Driver technology that does many brilliant things including watching your blind spots for obstacles and Reverse Automatic Braking (RAB) which can detect the possibility of a collision whilst in reverse, and automatically apply the brakes. Genius.

# why XV?

## Symmetrical force of power

### Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive (AWD) system, which delivers the drive distribution to all four wheels, all the time. Every Subaru XV has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

## Boxing clever

### Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine helps to deliver better handling. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

## DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®[1] Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

### Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess[2] (up to a maximum of $800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA®[1] and warning labels.

## Finest safety

### 5 star ANCAP safety across the XV range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru XV to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. The Subaru XV carries the maximum 5 star ANCAP[3] safety rating.

## The backbone of the future

### Subaru Global Platform

Built on the all-new Subaru Global Platform (SGP), the Subaru XV is brilliant to its core. A new streamlined frame delivers amazing stability, a smoother ride, more responsive control and an even quieter cabin. The result? The feel-good ride of the year.

Part technology, part process, the Subaru Global Platform is a modular, future-ready foundation for our cars, informing everything we make and do.

## Eyes in the back of your head

### Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. A rear view reverse camera is standard on every Subaru XV variant.

1. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 2. Vehicles must be comprehensively insured. Terms and conditions apply. 3. The Australasian New Car Assessment Program (ANCAP) gives consumers consistent information on the level of occupant protection provided by vehicles in serious front and side crashes.

Subaru XV 2.0i-S AWD

Subaru XV 2.0i-S AWD

## Efficiency without compromise

### Auto Stop Start

We're constantly thinking of ways to help the environment and become more fuel-efficient. That's why we developed Auto Stop Start technology. It saves fuel by cutting the engine when you don't need it, like when you're idling or stopped in heavy traffic. The moment you're ready to move again, the engine restarts in a fraction of a second. Our Auto Stop Start technology is standard on all Subaru XV variants.

## Yet another world first

### Lineartronic® CVT

Pushing innovation beyond the bounds, we introduced an automatic transmission called Lineartronic® Continuously Variable Transmission (CVT). And it's the reason our automatic models drive so smooth. It's the world's first longitudinally mounted system for AWD vehicles. Unlike a conventional automatic transmission – which uses fixed gear ratios – our Lineartronic® CVT provides infinite variability between the highest and lowest available gears. So you now experience a smooth gear change, into any optimum gear for that moment. Lineartronic® CVT is standard on all Subaru XV variants.

## Get smart

### X-Mode

When the going gets tough, engage Subaru's intelligent X-Mode, standard across the Subaru XV range. Featuring Hill Descent Control and improved grip and traction in low speed and slippery conditions, X-Mode delivers uncompromising performance in challenging terrain.

## We're looking out for you

### EyeSight® Driver Assist

We were the first car company to exclusively use stereo camera technology to detect objects in our vehicles path. A sign of our future-thinking and our commitment to quality, technology and safety, EyeSight® Driver Assist is like your second pair of eyes, spotting potentially dangerous situations. If EyeSight® detects anything that might be of danger, it warns you audibly, urging you to take action and brake. EyeSight® is standard on Subaru XV 2.0i-L AWD, 2.0i Premium AWD and 2.0i-S AWD.

## Clever thinking

### Vision Assist

Imagine if your wing mirrors could alert you when there's something in your blind spot. Or if your car could detect the possibility of a collision whilst in reverse, and automatically apply the brakes. We made all this happen – and more – with Subaru's Vision Assist.

Our suite of proactive safety technologies including Blind Spot Monitor, Rear Cross Traffic Alert, Lane Change Assist, High Beam Assist and Reverse Automatic Braking are always at work to help you feel safer on the road. Subaru's Vision Assist technologies are standard on the Subaru XV 2.0i-S AWD.

# welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

## Subaru New Car Warranty – 5 Year/Unlimited Kilometres

Every new Subaru purchased on or after 1st January 2019 is covered by a 5 Year/ Unlimited Kilometre manufacturer's national warranty. Visit **subaru.com.au/warranty** or ask your Subaru Retailer for more information.

## Subaru Capped Price Servicing

With our 5 Year/62,500 Kilometre Capped Price Servicing Program[1], you'll now know the maximum amount you will have to pay for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

## DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®[2] Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

## Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess[3] (up to a maximum of $800 including GST) should your new Subaru be stolen in the first three years of purchase and not recovered within 45 days despite the presence of DataDotDNA®[2] and warning labels.

## 1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

## Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program[4] – guaranteeing you'll have access to the latest maps for the first 3 years of ownership.

## My Subaru – online owner's destination

The My Subaru owner's portal is an online destination for owners which provides access to exclusive benefits, tailored content, your vehicle's ownership history and much more.

1. Every eligible Model Year 2018 onward Subaru XV comes with Subaru's 5 Year/62,500 Km Capped Price Servicing Program. Available at participating Subaru Retailers only and does not apply to rental and some other classes of vehicles. For full Capped Price Servicing Terms and Conditions visit www.subaru.com.au/service/pricing/capped-price-servicing. 2. DataDotDNA® is a theft deterrent not a theft prevention mechanism. 3. Vehicles must be registered, comprehensively insured and less than 3 years old. DTA must receive a claim within 45 days of the theft. Terms and conditions apply. 4. Subaru's Map Update Program is available on MY19 Subaru XV models purchased from November 01, 2018 onwards with the factory line fit Gen3.1 navigation unit. Subaru's Map Update Program is not available on accessory fit or dealer sourced navigation units. For full terms and conditions of the Subaru Map Update Program visit www.subaru.com.au/owner-experience/benefits/subaru-map-update-program.

## Subaru Roadside Assistance

Enjoy 12 months of Australia-wide, standard Roadside Assistance when you purchase your new Subaru. In the unfortunate situation where you need that extra helping hand, our Roadside Assistance will help[1] with arranging a tow, battery service, flat tyre service, fuel delivery and lockout service.

## Subaru Certified Collision Repairer Network

With a dedicated Subaru Certified Collision Repairer[2] helpline available on 1800 737 179, help is available when you need it most. Available 24-hours a day, 7 days a week, help is only a phone call away. Subaru Certified Collision Repairers guarantee that trained specialists will repair your Subaru to strict factory specifications using Genuine Subaru Parts.

## Genuine Accessories

Genuine Subaru Accessories are designed to enhance your vehicle, help you get more stuff done and have more fun! Our genuine accessories are factory approved by Subaru and are protected by the Genuine Subaru Accessories Warranty. For our full range of Subaru XV accessories visit **subaru.com.au/xv/accessories**. For warranty information visit **subaru.com.au/warranty** and click on "Genuine Subaru Accessories Warranty".

## Subaru Finance

Subaru Finance[3] provides a range of competitive financial solutions to approved customers. Our finance specialists will help you find a finance package to meet your needs conveniently.

## Subaru Insurance

It's important to enjoy the freedom of owning a Subaru, but it's also important to protect it. A range of Subaru Insurance[4] options provides a variety of choices, including: Subaru Comprehensive Motor Vehicle Insurance and Subaru Loan Protection Insurance.

## Subaru Certified Used Cars

Every Subaru Certified Used Car has passed a 120-point quality inspection and comes with a one year unlimited kilometre Subaru Assured Warranty[5] – to complement the balance of a new vehicle warranty or the statutory warranty that remains – from participating Subaru Certified Used Car Retailers.

1. 12 month Club Membership and Roadside Assistance Offer is standard upon activation with the relevant Motoring Club in each state. To receive this benefit the customer must opt into the 12 month Club Membership and Roadside Assistance Offer at time of vehicle delivery. Eligible customers are those retail and novated lease customers who purchase a new Subaru and have less than 5 vehicles under the Club Membership offer. Customers must provide a valid phone number and residential address, as well as date of birth. Fleet, Government and Rental companies are excluded. Terms and conditions apply. For a full list of benefits, visit www.subaru.com.au/owner-experience/benefits/program/roadside. 2. Subaru Certified Collision Repairer network not available in all areas. Call 1800 737 179 or visit www.subaru.com.au/retailers to find your closest Subaru Certified Collision Repairer. 3. Finance provided by Macquarie Leasing Pty Limited ABN 38 002 674 982 Australian Credit Licence Number 394925 trading as Subaru Finance. All applications for credit are subject to Macquarie's normal credit approval criteria. Terms and conditions, fees and charges apply. 4. Subaru Insurance products are issued by Allianz Australia Insurance Limited AFS Licence No. 234 708 ABN 15 000 122 850 (Allianz). In arranging this insurance Subaru (Aust) Pty Limited ABN 95 000 312 792 (Subaru) and the authorised dealers act as agents of Allianz and not as your agent. Neither Subaru nor any of its related companies or appointed authorised retailers have any liability in respect of these policies. 5. The Subaru Assured Warranty product is issued by the selling Subaru Retailer. Subaru Australia has no liability in respect of this warranty.
