

# QX80

**INFINITI**

EMPOWER THE DRIVE

## DESIGN

# BOLD IN DESIGN. UNMISTAKABLE IN PRESENCE

In the strength of its lines and fearless presence, the QX80 cannot be mistaken nor ignored. Its grand statement of confidence is made more distinctive with exterior styling refinements that start and end with an enhanced front design and rear fascia. Powerfully expressive LED headlights bear the eye-inspired INFINITI signature, while the chrome grille surround adds an elegant touch. As athletic as the stance already is, you can make an even bolder statement with 22-inch wheels standard. In the redesigned QX80, distinction makes an undeniable impression.

DESIGN

# INFINITE POTENTIAL

---

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX80, where presence, power, and artfully expansive space create experiences grand enough to be shared beyond yourself.

ENGINEERING

# PASS CONFIDENTLY

Expect performance that pushes your boundaries and pulls whatever you desire. The QX80's 5.6-litre V8 drives with commanding responsiveness, and maximises power while prioritising modern-day efficiency. With 298kW<sup>\*</sup> and 560Nm<sup>^</sup> of torque, yielding up to 3,500kg of towing capacity<sup>†</sup>, the confidence extends to towing what you desire.

<sup>\*</sup>Power output obtained using 98 RON.

<sup>†</sup>Towing capacity is subject to towbar/towball capacity. The capacity may be reduced if a non-genuine towbar is fitted.

**ENGINEERED FOR LUXURY WITHOUT LIMITS.**  
The QX80 offers bold ideas for the driven. Indulge everyone in expansive comfort and entertainment, while empowering yourself with innovation that looks as far forward as you do.

INTERIOR

# THE SPACE TO SHOWCASE YOUR STYLE

Modern materials and rich textures create an interior that's unforgettable in its welcome. Warmth and elegance fill an immense, sophisticated space, while thoughtful design reflects the needs of who or what you bring.

**EXPANSIVE COMFORT** However you arrange the seating in the QX80, all of your passengers will travel on a grand scale, thanks to the legroom that abounds in every seat.

**MORE COMFORTABLE QUICKLY** Here, every aspect of your entrance is as hospitable as possible. Climate-controlled front seats actively circulate cool or warm air through perforated, quilted-leather-accented vents, so you reach your comfort zone faster than you imagined.

INVITE EVERYONE With comfortable seating for up to 7 adult passengers, you'll never have to leave anyone behind. The QX80 also makes getting in and out of it a breeze with wide door openings, and a second row that folds with the push of a button. Third-row passengers will be able to enter with ease.

## CONVENIENCE

# YOUR ABILITIES ENHANCED. YOUR NEEDS ANTICIPATED.

You live by your instincts and the QX80 will feel like an extension of yourself. Smart systems are looking ahead, acting to assist and customise your comfort, leaving you free to focus on the drive.

**INTUITIVE FRONT LIGHTING** Illuminate where you truly want to be. The Adaptive Front lighting System (AFS) helps improve visibility at intersections and around curves by sensing your steering and turning the headlights. Together with LED headlights, AFS helps you see not just ahead, but around as well.

**A CLEARER REFLECTION** Auto-dimming outside mirrors make driving after dark more comfortable and more confident by reducing glare from the headlights of vehicles behind you. Throughout the day and deep into the night, your comfort is catered to.

**EXTEND EFFORTLESS COURTESY** As a courtesy to you and others, High Beam Assist recognizes any oncoming and leading vehicles, and automatically switches to your low beams. Once traffic is clear, the high beam setting is restored.

**COMFORT IN EVERY SEAT** The Tri-Zone Automatic Temperature Control with microfilter indulges every passenger with personal comfort, offering climate controls for three distinct zones.

**SEE EVERY SIDE** Gain a new perspective on what's around you. With the Around View® Monitor with Moving Object Detection<sup>4</sup> and Front and Rear Sonar System,<sup>5</sup> it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you whether a moving or stationary object is detected close by.

SAFETY

## CORNER WITH EASE

Greater power requires greater capability, and the QX80 spares no innovation in elevating your command. The Hydraulic Body Motion Control (HBMC) actively adjusts suspension to counter body lean and bounce for a smooth ride and controlled cornering feel. Augment your hold of the road with INFINITI All-Mode 4WD,<sup>®</sup> which ensures you are ready when the roads are wet or unsealed.

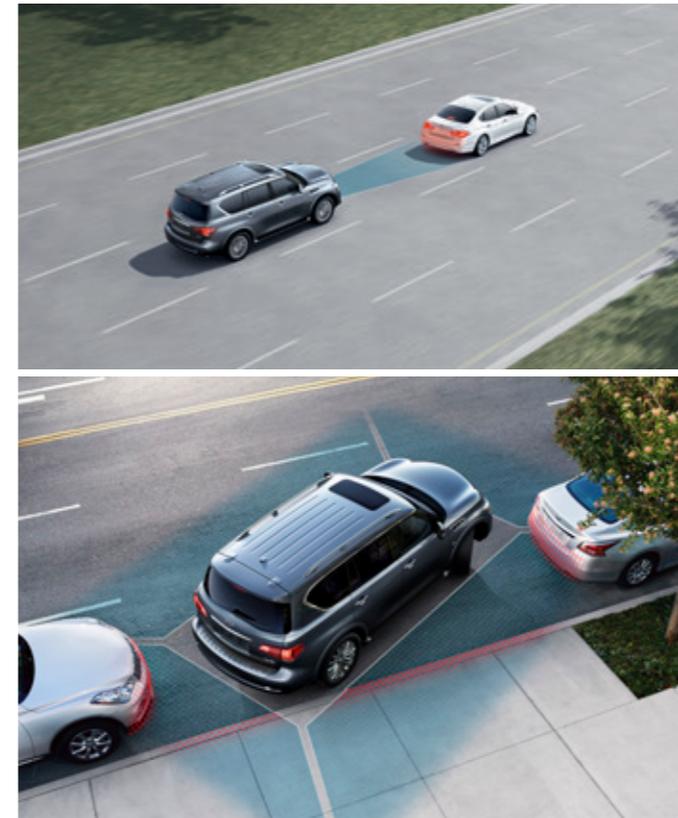

## SAFETY

# INNOVATIVE SAFETY HELPS YOU SEE AND AVOID

A unique combination of active and passive safety innovations are on alert, ready to help you respond and acting to help protect.

**RESPOND TO YOUR SURROUNDINGS** Forward Emergency Braking with Pedestrian Detection<sup>6</sup> senses vehicles in the lane ahead of you, and if deceleration is required, the accelerator pedal can be pushed up and the brakes can be applied to help minimise a collision—or even help prevent one. The system may also detect pedestrians who enter your vehicle's path, adding another dimension of security.

**MORE SURE IN REVERSE** Backup Collision Intervention<sup>8</sup> increases your awareness while in reverse. As you back up, the system warns you if approaching vehicles or large objects are detected behind your vehicle and can help you avoid a collision by applying the brakes.

**TOW WITH CONFIDENCE** Trailer Sway Control helps keep your trailer from swaying side-to-side during towing, which helps you experience enhanced stability and control.<sup>2</sup>

**STRONGER AND LIGHTER** Ultra high-strength steel is twice as strong as conventional steel and is built around you to enhance your safety in case of a collision.

**THE SUPPORT YOU NEED** In certain rear-end collisions, the Front-seat Active Head Restraints can move forward to help cushion the head.

**ENHANCED PROTECTION** Driver and front-passenger seat-mounted side-impact supplemental air bags are standard. Also featured are roof-mounted curtain side-impact supplemental air bags with rollover sensor.<sup>9</sup>

**PREPARED TO PROTECT** During emergency braking situations, the Front-seat Pre-Crash Seat Belts are automatically tightened.

TECHNOLOGY

# DEDICATION IN EVERY DETAIL

**ENTERTAIN MORE OPTIONS.** You are going places, but surely not alone. Extend to your guests their entertainment of choice, which offers dual 8-inch monitors for second-row passengers to view their own movies or games while those in front enjoy their own music.

**REFLECT ON YOUR VISION.** Always forward-thinking, the all-new Intelligent Rear View Mirror means your view need never be compromised by passengers, large cargo, or even darkness. The toggle transforms it from a mirror into an LCD screen, displaying the enhanced view from a wide-angle high-resolution camera. So a full vehicle can still mean a full view behind you.

## INTERIOR VOLUME

**DESIGN THAT EMPOWERS** Space is carefully designed to be eminently useful to you, even in your everyday excursions. The rear tailgate opens to a flat cargo area and when both rows are folded down, it gives you access to the 2693 Litres of cargo space.<sup>1</sup>

**PREMIUM SECOND ROW** There is no coach class in an INFINITI QX80. Spacious, Quilted Semi-aniline leather-accented<sup>2</sup> seating support passengers in total comfort even on long journeys. Those in the outer second row also enjoy heated seats and their own customisable climate control zone.

	SPORT
<b>Engine</b>	
5.6-liter (5,552cc) 32-valve Direct Injection V8 engine, with aluminium-alloy block and heads. Developing 298kW @5800rpm and 560Nm @4000rpm. Double overhead camshaft (DOHC), 4 valves per cylinder with micro finished camshafts. Variable Valve Event and Lift (VVEL®) and Continuously Variable Valve Timing Control System (CVTCS) optimises opening of intake and exhaust valves	•
<b>Transmission</b>	
Electronically controlled 7-speed automatic with Adaptive Shift Control (ASC). Driver-adaptive learning algorithm senses driving style and adjusts automatic shifting accordingly.	•
Selectable manual gearshifts and Downshift Rev Matching (DRM)	•
<b>Steering and Suspension</b>	
Vehicle-speed-sensitive power steering Driver-adaptive learning algorithm senses driving style and adjusts automatic shifting accordingly.	•
Independent, double-wishbone Front and Rear Suspension	•
Hydraulic Body Motion Control system helps decrease body lean for a more comfortable and controlled ride	•
<b>Towing*</b>	
Integrated Tow bar package (includes tow bar tongue and wiring harness)	•
Maximum towing capacity with brakes- 3500kg	•
Maximum towing capacity without brakes- 750kg	•
Tow haul mode switch	•
Front frame and rear frame towing hook, tow hitch member and hitch cover	•
Hill start assist and Trailer Sway Control	•
<b>Brakes</b>	
4-wheel ventilated disc brakes	•
Foot-operated handbrake pedal	•

	SPORT
<b>Brakes</b>	
Opposed calliper sport brakes (4 piston front; 2 piston rear)	•
Brake Assist System (BA)	•
<b>Drive</b>	
INFINITI All-Mode 4WD® with computer-controlled transfer case, offers settings in Auto, 4WD High and 4WD Low	•
<b>Wheels and Tyres</b>	
22 x 8.0-inch, 18-spoke forged aluminium-alloy wheels with 275/50R22 all-season tires	•
Full size spare, 22" alloy wheel	•
<b>Visibility</b>	
Adaptive front lighting (AFS) system with automatic high beam assist - on/off	•
Automatic headlight levelling	•
Bi-Xenon headlights with dusk sensor	•
Boot illumination	•
Dual map lights	•
Electric operated & folding exterior mirrors	•
Headlight washers	•
Heated exterior mirrors	•
Illuminated switches	•
LED front fog lights	•
LED rear brake lights and centre high-mounted stoplight	•
Rain-sensing, variable intermittent front windshield wipers	•
Rear window intermittent wiper and defroster with timer	•

<sup>~</sup>New Vehicle Warranty expires 48 months from date of first registration or after 100,000 km (whichever comes first). Conditions apply. NOTE: Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if goods fail to be of acceptable quality and the failure does not amount to a major failure.

<sup>#</sup> Terms and conditions apply, visit [www.infiniticars.com.au](http://www.infiniticars.com.au) for details.

<sup>1</sup> Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle.

<sup>2</sup> See INFINITI Towing Guide and Owner's Manual for proper use.

<sup>3</sup> Tri-zone operation requires compatible auxiliary media system. See Owner's Manual for details.

<sup>4</sup> AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle.

<sup>5</sup> The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

<sup>6</sup> FEB with Pedestrian Detection is a driver's aid only and should not be used as a substitute for safe driving practices. May not provide braking or pedestrian detection in certain conditions. See Owners' Manual for full details on system parameters.

<sup>7</sup> Distance Control Assist helps maintain a distance to the vehicle in front of you under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident.

<sup>8</sup> BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details.

<sup>9</sup> Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. iPod is a registered trademark of Apple Inc. Bose is a registered trademark of Bose Corporation.
