Exterior

The Passat epitomises stylish practicality in both its sedan and wagon iterations.

With its long wheelbase and short front and rear overhangs the Passat hunkers low on the road and conveys an air of confidence and solidity. A markedly raked silhouette gives the Passat a lithe and dynamic character, while its prominent shoulder line stretches the vehicle to generate an impression of speed and athleticism.

From the front, that unmistakable Volkswagen face takes an evolutionary step forward, with trapezoidal headlights that connect to the tail lights via the shoulder line that sweeps across the wheel arches. The 206TSI R-Line Wagon receives Dynamic LED headlights that pierce through the dark, while fog lights with static cornering lights on the Comfortline model upwards blend harmoniously into the Passat's face.

The Passat's distinctive tail light signature—composed of a waveguide contour augmented by two horizontal lines of LED light modules—defines functionality at its most stunning.

The top-of-the-range 206TSI R-Line takes Passat styling to new heights. With its R-Line styled front bumper and grille, side sills and rear bumper, as well as lowered (by 15mm) sports suspension, eye-catching 19" Verona alloy wheels with large disc brakes, dark tinted rear side and rear window glass, dual exhaust, and a distinctive R-Line radiator grille and R-Line logo, it makes a bold statement no matter where it goes.

Engineering and design merge seamlessly in the Volkswagen Passat. This is functionality at its most stunning: sleek, stylish and dynamic.

Passat 132TSI Comfortline with optional R-Line and Luxury package shown

Interior

The Passat's extensively redesigned interior features a host of equipment and premium details to present levels of comfort, convenience and functionality.

A multi-function steering wheel provides intuitive control of both drive settings and the multimedia interface, while an ergonomically focused driving position puts all controls at your fingertips at any time.

With a central analogue clock, a dash panel that slopes sharply downwards, touches of chrome and leather, and Keyless Comfort start function, the Passat has a premium appeal that was once the preserve of luxury saloons. With surprising space and functionality in the back—whether in sedan or wagon—the Passat's superior comfort levels keep pace with its expanded luggage capacity.

An exciting addition to the 206TSI R-Line is Volkswagen's Active Info Display[^]. This appealing 12.3" high-definition screen takes the place of traditional instrumentation behind the steering wheel displaying navigation and driver assistance information with superb clarity.

It's not the only extra the 206TSI R-Line receives. With its R-Line Interior Package comprising mood-setting ambient interior lighting and sporty trim throughout, the 206TSI R-Line lives up to its performance potential inside and out.

Driver and passenger comfort is made a priority with Air Care 3-zone automatic climate control standard across the range. The system comprises wide air-band nozzles that allow the driver, front passenger and rear passengers to set their own preferred temperature independently. At the same time, an enhanced air filtration system improves cabin air quality, reducing dust and pollen.

01 Direct Shift Gearbox (DSG)

02 Luscious Nappa leather appointed[#] seat upholstery and panoramic sunroof shown on 132TSI Comfortline with optional Luxury package.

[#]Leather appointed seats have a combination of genuine and artificial leather, but are not wholly leather.

[^]Active Info Display is only available on the Passat 132TSI Comfortline as part of an optional package and standard Passat 206TSI R-Line.

Technology and Safety

Smart, intelligent and capable, the Passat is a car made for sophisticated drivers who delight in innovative technology.

It begins with the drivetrain. Every trip in your Passat, whether short or long, is a pleasure courtesy of the powerful and refined range of turbocharged TSI engines that work perfectly in tandem with the Passat's responsive Direct Shift Gearbox (DSG) to ensure smooth delivery of power to the road surface.

BlueMotion Technologies in every Passat, such as Brake Energy Recuperation and engine Stop/Start system help you travel further on one tank of fuel.

All Passats comes standard with a suite of safety features including Front Assist with City Emergency Brake (City EB)* using radar sensor integrated in the front of the vehicle to monitor traffic ahead, while Manoeuvre Braking*, front and rear assists the driver to avoid or reduce damage in a potential low speed impact by initiating emergency braking.

The Comfortline model and above feature additional safety equipment such as Side Assist*; detecting vehicles that may be hidden in blind spots when changing lanes, Lane Assist*; monitoring the path ahead, recognising road markings and reacting should the Passat wander from its lane at over 65km/h, and Rear Traffic Alert*. If you're reversing from a parking space into traffic, Rear Traffic Alert* will sound an alarm and initiate emergency braking if an unseen vehicle approaches from the side. These features are also available on the 132TSI as part of the optional Driver Assistance package.

Thus, with nine airbags and a five-star ANCAP rating (tested 2015), the Passat provides maximum safety assurance.

01 Multi collision brake

02 Front Assist with City Emergency Brake* (City EB)

03 Adaptive cruise control*

Highlights

The 206TSI R-Line Wagon features 4MOTION permanent all-wheel drive, previously a feature of the Passat Alltrack only. It constantly monitors driving conditions and reacts to any wheel slip to deliver extra traction to the wheels with the most grip.

The top-of-the-range Passat also receives Adaptive Chassis Control, an ingenious system that enables you to select one of five ride settings—Normal, Sport, Comfort, Eco and Individual— all at the touch of a button. Available in the Comfortline and up is clever Driving Profile selection, which allows you to alter the Passat’s driving characteristics, such as steering and throttle response, to suit your taste.

The entry-level 132TSI receives the 8.0" Discover media navigation system complete with smartphone glass appearance, while the Comfortline and above receive the impressive 9.2" Discover Pro infotainment system with Gesture Control allowing the driver to navigate through various menus with a simple mid-air swipe of the hand. No matter which system is fitted, all Passat models now feature Media Control technology, allowing passengers to select music and more via their smartphone or tablet.

And parking in the Passat has never been easier. Parking distance sensors front and rear* are standard across the range, while the Comfortline grades receive Side Assist* and Lane Assist* for added protection. The 206TSI R-Line goes one step further with Park Assist*, an ingenious system that allows the car to practically park itself. All you need to do is control the pedals and the Passat will cleverly steer itself into a parking spot.

02 Discover Pro 9.2" screen with Satellite Navigation

03 Discover Pro 9.2" screen with Rear View Camera (RVC Plus)*

~App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, and connection cable (sold separately).

*Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

Colours & Upholstery

It's easy to configure an appealing paint and upholstery combination for your Passat. One of five exterior paint options can be selected, including Pure White, Deep Black Pearl Effect and three metallic options.

A quality Black Cloth upholstery is standard for the Passat 132TSI, while the 132TSI Comfortline model receives Black Vienna leather appointed seat upholstery#. The 206TSI R-Line receives cossetting Carbon Nappa leather appointed seat upholstery# complete with R-Line logo.

- 01 Black Cloth (132TSI)
- 02 Black Vienna leather appointed seat upholstery# (132TSI Comfortline)
- 03 Carbon Nappa leather appointed seat upholstery# (Standard on 206TSI R-Line and Optional R-Line Package)

Items such as sports equipment are for illustration purposes only and are not available for purchase from Volkswagen Group Australia or its dealers. For a full range of Volkswagen Genuine Accessories, please visit an authorised Volkswagen Dealer.

Volkswagen Choice

Guaranteed Future Value

Naturally we understand that your Volkswagen represents a valuable investment, so we understand that you want to maintain it in premium condition. Volkswagen Choice[^] is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value[^], whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract[^]. There are also no account keeping fees with a fixed interest rate.

[^]The Volkswagen Choice Program consists of an option to return the vehicle to Volkswagen Financial Services (VFS)** at the end of the term and require VFS** to purchase the vehicle at an agreed price known as the Guaranteed Future Value or GFV as determined by VFS** and set out in your contract. At the end of the term, you can elect to: (1) trade-in the vehicle; (2) exercise the option to return the vehicle; or (3) retain the vehicle by paying the GFV. The GFV is not a representation by VFS** as to the likely market value of the vehicle as at the end of your contract. The option is available on new and demonstrator Volkswagen vehicles for selected models only. Please verify with your dealership the vehicles that are eligible for the program. The GFV will be reduced, and you will be liable for any loan contract deficit, if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition in accordance with the Fair Wear and Tear Guide available at www.volkswagen.com.au. Other terms and conditions apply. The cost of the Volkswagen Choice Program is incorporated into the applicable interest rate. Please read the full terms and conditions. Please consider whether these products and services are appropriate for your circumstances. Before acting on any of the information on this page, please seek independent financial and tax advice. Full terms and conditions are available upon application. Available only to approved applicants of VFS**. Subject to credit assessment. Standard fees and charges apply. Fleet, government, rental buyers, hire car and chauffeur companies are excluded. Available at participating Volkswagen dealers. **VFS is a trading name of Volkswagen Financial Services Australia Pty Limited ABN 20 097 071 460. Australian Credit Licence 389344.
